

AnimalSave

New Opportunities for Giving

Each building or room in the AnimalSave Center will feature a plaque honoring donors for their gifts.

Your donation will become an enduring reminder of your commitment to the welfare of our community's animals.

Philanthropic gifts from businesses, individuals, and their estates play a crucial role in the mission of AnimalSave to transform the lives of pets and homeless animals.

To offer our donors the ability to establish a lasting legacy in honor of a special animal companion, friend, loved one, or family member, AnimalSave is establishing **naming opportunities** for the AnimalSave Center.

This new program is just one more element in our ongoing commitment to the future of the cats and dogs in our community, and the future of the AnimalSave Center at 520 East Main Street in Grass Valley.

This program allows us to recognize our generous contributors, and provides a way for those contributors to invest in the important work of AnimalSave as we continue our 30-year legacy of helping pets in Nevada County.

Here are some of the gifts our major donors have provided;

- **Pet Adoption Services** **\$360,000**
(A legacy gift from, and in memory of, Joan E. Briody)
- **Reception Area** **\$ 20,000**
(In memory of Kathi DelPonté)
- **Penny's Place – An Old Cat Sanctuary** **\$ 10,000**
(In memory of Penny Bailey)
- **The Book Nook** **\$ 20,000**
(In memory of Edna E. Scott)

Current naming opportunities include the Thrift & Treasures Benefit Store... Spay and Neuter Clinic...Humane Education Building...Kitten Haven Nursery...Cat Adoption Room...Tender Loving Care Room...Administration... various rooms and suites within the Center...and the Over the Rainbow Bridge Memorial Garden.

Within the Garden, donors will be able to make smaller gifts by naming wind chimes, pawprints, and other memorials.

To discuss naming opportunities, contact Carolyn Niehaus:
